OUR COMPANY

Cubic, a dynamic construction company established in 2012, specializes in hospitality, residential, commercial, and industrial projects, delivering excellence across diverse scales—from boutique hotels to large-scale developments. With expertise in Mechanical, Electrical, and Plumbing (MEP), construction, and finishing, Cubic's skilled professionals ensure precision and quality in every project, solidifying its reputation as a trusted industry partner committed to end-to-end solutions and exceptional results.

OUR FOUNDERS

Envisioned a company that prioritizes innovation, quality, and client satisfaction. Their combined expertise has been instrumental in shaping our company's direction and success.

Mohamed Halima (Chief Executive Officer).
Essam Mohamed (Chief Projects Officer).
Ahmed Elsayy (Chief Operating Officer).

OUR MISSION

At Cubic, our mission is to be recognized as industry leaders and a premier construction company known for consistently delivering exceptional results. We are committed to pushing the boundaries of innovation and excellence, redefining the art of construction with each project we undertake.

OUR VISION

To be the leading construction company in the Middle East, renowned for delivering innovative, sustainable, and high-quality solutions that transform spaces and exceed client expectations.

OUR VALUES

CUSTOMER SATISFACTION

Focusing on customer needs and delivering exceptional services to build lasting relationships and ensure repeat business.

SAFETY

Prioritizing the well-being of our employees, and clients by adhering to the highest safety standards on every project.

INTEGRITY

Conducting business with honesty and transparency, building trust through responsible interactions and open communication.

INNOVATION

Embracing new technologies and creative solutions to enhance efficiency and deliver cutting edge services.

SUSTAINABILITY

Committed to eco-friendly construction that reduces impact and ensures sustainability

TEAMWORK

Creating a collaborative space that values diversity for better project outcomes.
